

A 90-DAY
PRAYER & FASTING
JOURNEY FOR CONCEPTION

Ninety Scriptures. Ninety Days. Four Hundred and Fifty Prayer Points.

“Is any thing too hard for the LORD?”

— Genesis 18:14

A guided devotional for women believing God for fruitfulness
and the fulfillment of His promise concerning a child.

How To Use This Guide

Welcome. This ninety-day devotional was created for women who are believing God for the fruit of the womb. Each day pairs one Scripture — God's own promises about fruitfulness, fertility, and the faithfulness of His Word — with five specific, detailed prayer points drawn directly from that verse.

Suggested daily rhythm:

1. Read the day's Scripture slowly, aloud if possible. Let the words settle in your heart before you pray.
2. Pray through the five prayer points in your own words, personalizing each one.
3. Spend a few quiet moments simply listening — journaling anything God brings to mind.
4. If you are fasting as part of this journey, choose a fast that is sustainable and, where relevant, wise to discuss with your doctor — especially if you are undergoing fertility treatment.

A note on fasting: fasting in this guide refers to any God-honoring, health-appropriate fast — a full fast, a partial fast (such as the Daniel Fast), a media fast, or the setting aside of a specific meal for prayer. Please listen to your body and consult a physician before beginning any fast, particularly if you have a medical condition or are currently in a fertility treatment cycle.

Scripture quotations are from the King James Version (KJV), which is in the public domain.

“For with God nothing shall be impossible.” — Luke 1:37

"I am the LORD; I change not." — Malachi 3:6

Keep this guide close. Return to any day whenever you need to be reminded of what God has promised. And when your testimony comes, tell someone — your story will become someone else's hope.

With faith for you and your household,
